MINISTER OF STATISTICS AND PROGRAMME IMPLEMENTATION [SHRI D.V. SADANANDA GOWDA]

(a) to (c): A new integrated Members of Parliament Local Area Development Scheme (MPLADS) website, developed on state-of-the-art Microsoft technology platform with built in security features is already under implementation. This new website provides single point of reference for all stake holders including Members of Parliament (MPs), State / District Authorities, Ministry and citizens. The Hon'ble MPs can access the portal for making online recommendations and check the status online as uploaded by the District Authorities.
